In addition to submitting this application, the applicant must enclose a letter, in standard business format, explaining why the MCLN Scholarship Board should consider approving this request.

- The applicant must take and submit the results of official “GED READY” tests as follows:
 - If applying for the full test, student must take and submit, (at a minimum), the *Language Arts* and *Math* “GED READY” test results.
 - If applying for any individual test(s), student must take and submit the results of those “GED READY” tests.

In order to proceed in a timely manner, MCLN must receive this application, letter, and “GED READY” official test results at least one full month prior to applicant’s desired GED test date.
